## CRYSTAL CLEAR SHAMPOO

## CRYSTAL CLEAR SHAMPOO

### DESCRIPTION

- CRYSTAL CLEAR Marble Cleaner Shampoo Concentrate cleans, maintains, and protects marble, granite floors, and Natural Stone & calcareous stone floors. It completely controls the worth, life span & natural look of the marble flooring. The smooth standards achieved after crystallization will specify that the marble floor is very slip-resistant.
- This floor & wall cleaning liquid is specially formulated to clean natural stones like marble and Granite, it effectively and quickly cleans the natural stones without harming their natural texture and retains the original and natural shine of the stone.
- This powerful formula does not contain any Acid (not even mild ones) which can harm the natural texture of the floor in any possible way and yet cleans effectively. Removes all types of soiling, dirt, dust, grime, and yellow appearance from the natural floors without affecting their surface.
- This is safe for babies & pets, and biodegradable. Any of the ingredients are safe for human health.
- This is very economical to use as it's a concentrated one so so small amount is required to achieve great cleaning
- **The most important point:** Unlike normal floor cleaners, it does not cause yellowness of sulfur injection in the long term in white marbles.

### INSTRUCTIONS FOR USE

- Dilution: 15-20 ml in 1 liter of water (2 tablespoons in half a bucket of water). Spread it over the area to be cleaned, and wait for 4-5 minutes.

- For heavy soiling or accumulated dirt, scrub with a soft scrubber and clean with water.
- For every day, cleaning apply the diluted solution and mop the floor
